Willighagen, E. (2008, April 1). T minus 26 hours: defending open source chemoinformatics (and more). *Chem-bla-ics*. <https://doi.org/10.59350/2b0cr-22997>

Keywords

Cheminf, Chemometrics, Phd

Abstract

In about 26 hours from now, I will be defending my PhD thesis. Follow that link to read the summary; I was thinking if publishing my introduction and discussion (the rest has been published in peer-reviewed journals) on Nature Precedings; would that be a good idea? Otherwise, I'll post it in my blog.
