Willighagen, E. (2020, November 30). CiTO updates #3: third paper in the collection and updated Scholia patch. *Chem-bla-ics*. https://doi.org/10.59350/40an0-kne14

Keywords

Cito, Scholia

Abstract

Last week the third paper got published in the Citation Typing Ontology Collection and this weekend I finished adding the citation annotations to Wikidata.

Last week the third paper got published in the Citation Typing Ontology Collection and this weekend I finished adding the citation annotations to Wikidata.

While the number of papers in the Journal of Cheminformatics is only slowly growing, the number of journals receiving annotated citations is growing faster. And there are 70 now:

Citation Typing Ontology Intentions

Page with general info about CiTO annotation in Wikidata.

Statistics
