Abstract

While I am still looking around for a assisting/associate professor position, there are two milestones around my scientific work I want to briefly mention here. This blog is the 500th blog on chem-bla-ics, and the two CDK papers have combined reached 100+ citations as counted by Web-of-Science, as can be seen on my ResearcherID profile.

chem-bla-ics

While I am still looking around for a assisting/associate professor position, there are two milestones around my scientific work I want to briefly mention here. This blog is the **500th** blog on [chem-bla-ics](#), and the two [CDK](#) papers have combined reached 100+ citations as counted by Web-of-Science, as can be seen on [my ResearcherID profile](#).
