Abstract

A couple of people now confirmed the problem with the ACS journal RSS feeds . Being back behind my desktop machine, I can post the obligatory screenshot:

A couple of people now confirmed the [problem with the ACS journal RSS feeds](#). Being back behind my desktop machine, I can post the obligatory screenshot:

The feed for Chemical Biology shows 79 feed items and the first one was a *Environ. Sci. Technol.* paper. The first of the 108 papers listed in the feed for Molecular Pharmaceutics is a perp from *J.Phys.Chem.C*.
