Abstract

The reason why I have not been able to blog much lately, is that my family and I have been moving to Uppsala/Sweden, where I'll start a postdoc in the group of Jarl Wikberg @ BMC @ Uppsala University, where I'll work on chemoinformatics in drug design, and the use of CDK and Bioclipse in particular.

The reason why I have not been able to blog much lately, is that my family and I have been moving to [Uppsala](#)/Sweden, where I'll start a postdoc in the [group of Jarl Wikberg](#) @ [BMC](#) @ [Uppsala University](#), where I'll work on chemoinformatics in drug design, and the use of [CDK](#) and [Bioclipse](#) in particular.

More blogging when I have more frequent internet access again...
