More QSAR in Bioclipse: the JOELib extension
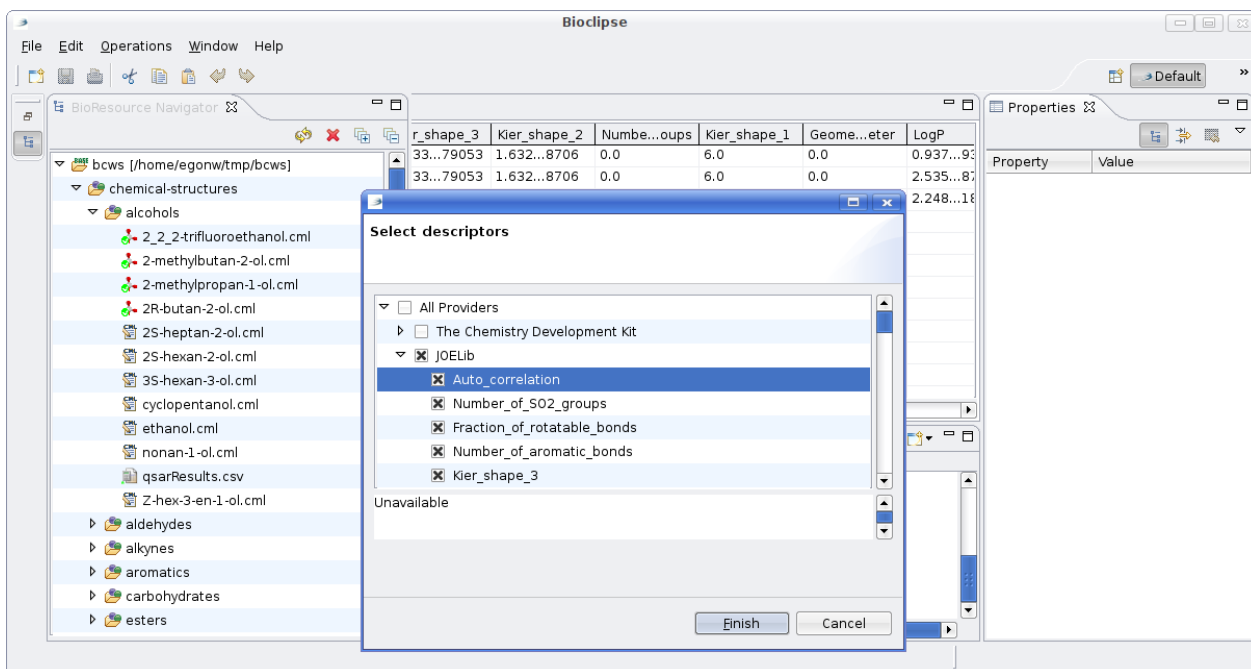

Published October 18, 2007

Abstract

I added a Bioclipse plugin for JOELib (GPL, by Joerg) which comes with many QSAR descriptors, several of which are now available in the QSAR feature of Bioclipse :

I added a Bioclipse plugin for JOELib (GPL, by Joerg) which comes with many QSAR descriptors, several of which are now available in the QSAR feature of Bioclipse

Meanwhile, the Bioclipse team in Uppsala has set up the obligatory scatter plot functionality, but leave that screenshot for them to show. Therefore, time for integration with R.
