Willighagen, E. (2008, April 24). More CDK-Ruby users... *Chem-bla-ics*. <https://doi.org/10.59350/tkxq7-gn425>

Keywords

Cdk, Ruby

Abstract

Via Rich' blog, I was informed about the work by goesLightly on CampDepict, a Ruby-based application which uses the CDK for SMILES parsing and 2D diagram generation. With cdk-20060714.jar it's using pretty ancient code, and I have not seen a screenshot.

chem-bla-ics

Via [Rich](#)' blog, I was [informed](#) about the work by [goesLightly](#) on [CampDepict](#), a Ruby-based application which uses the [CDK](#) for SMILES parsing and 2D diagram generation. With `cdk-20060714.jar` it's using pretty ancient code, and I have not seen a screenshot.

Anyway, it's nice to see another blogger into the CDK :)
