## chem-bla-ics

Don't let anyone fool you: The Offspring is really just talking about Science:

> *When she's saying that she wants only me*
> *Then I wonder why she sleeps with my friends*
> *When she's saying that I'm like a disease*
> *Then I wonder how much more I can spend*
> *Well I guess I should speak up for myself*
> *But I really think it's better this way*
> *The more you suffer*
> *The more it shows you really care*
> *Right? yeah yeah yeah*

Really! Just read the whole text:

> *Late at night she knocks on my door*
> *Drunk again and looking to score*
>
> *Now I know I should say no*
> *But that's kind of hard when she's ready to go*
> *I may be dumb*
> *But I'm not a dweeb*
> *I'm just a sucker with no self esteem*
