Yesterday and today I was in Cologne to meet with other ex-CUBIC researchers from [Christoph's research group on chemoinformatics](#) (and [with Alexandr](#)). Not all former group members were there, but on the other hand we were complemented with Pascal:

(Yes, the sun was **very** bright :)

The program was consisted of a couple of group things, like making a short list of articles to write up in the next few months. Yesterday evening ended in a very nice Biergarten called the [Altenberger Hof](#).
