Open Access News

The American Physical Society has [announced](#) a forthcoming open access journal, [Physical Review Special Topics - Physics Education Research](#). "The journal will be distributed without charge, and financed by publication charges to the authors or to the authors' institutions." The American Association of Physics Teachers (AAPT) and the APS Forum on Education are co-sponsors. PRST-PER "will begin receiving submissions later this spring and anticipates publication in the summer of 2005."
